

## **CUSTOMER ANNOUNCEMENT - COVID-19**

Following the Prime Minister, Boris Johnson's announcement on Monday 23rd March, Isuzu Truck (UK) Ltd has taken the difficult decision to temporarily close our Head Office, for a minimum period of three weeks – after which point, we will review our next actions in line with Government guidelines.

We genuinely feel we have no alternative option available to us, other than to enforce the strict social distancing measures required to protect the health & wellbeing of all our colleagues and their families.

I must stress that, despite the new operating restrictions above, everyone at ITUK is equipped to work from home and we currently remain very confident in our ability to support your business to the levels you may require. We will simply do so in a slightly different manner until the vital restrictions, required to fight this dreadful virus, are behind us.

Obviously, it goes without saying, that none of us have been through anything like this before and we will continue to issue further information & guidance as the situation progresses.

In the meantime, can I thank you for your continued support & commitment to Isuzu and please stay safe.

Pete Murphy

Managing Director

Isuzu Truck (UK) Limited
