

CUSTOMER ANNOUNCEMENT UPDATE - COVID-19

Following the Prime Minister's announcement on Monday 23rd March, Isuzu Truck (UK) Ltd took the difficult decision to temporarily close our Head Office and equip all departments with the capability to work remotely from home.

Since that date, and all through this incredibly challenging period, both ITUK and the members of our highly professional Dealer Network have continued to provide much needed assistance and support to our valued customers.

We have recently implemented a considerable number of social distancing measures within our Head Office, designed to protect the health and well-being of our colleagues. As a result of the new safety measures taken, we are now introducing a staggered return to office working for those colleagues wishing to do so.

Members of the Isuzu Truck Dealer Network have also introduced a significant number of social distancing measures during the pandemic and, as every individual business required a bespoke approach, please contact your local dealership directly to arrange a visit.

Can I sincerely thank you for your continued support & commitment to Isuzu and please stay safe and well.

Pete Murphy

Managing Director

Isuzu Truck (UK) Limited
