

CUSTOMER ANNOUNCEMENT UPDATE - COVID-19

Following the Prime Minister's announcement on Monday 4th January 2021, we are now operating with only a very small number of colleagues, who cannot work effectively from home, based at our Head Office. They continue to follow our strict social distancing measures, introduced for the protection of everyone within our office, and are available to provide any assistance required in the usual manner.

The remainder of our colleagues are now working remotely but we are absolutely confident in our ability to provide the levels of support required by our many valued customers.

All members of the Isuzu Truck Dealer Network are continuing to provide vital assistance and support to our customers also, but obviously ongoing social distancing measures remain in place at each individual business premises. If you wish to visit your local Isuzu Truck Dealership, we suggest you contact them in advance to ascertain the specific requirements they may have to help ensure your safety.

Hopefully, we may see an end to the dreadful COVID-19 pandemic during 2021 and, in the meantime, can I sincerely thank you for your ongoing support and commitment to Isuzu and please continue to stay safe and well.

Pete Murphy

Managing Director

Isuzu Truck (UK) Limited
