

## **CUSTOMER ANNOUNCEMENT - COVID-19**

During July and August 2020, following the implementation of extensive social distancing measures, we gradually re-introduced our valued colleagues to the Isuzu Truck (UK) Ltd Head Office.

It is with pleasure I can announce that our Head Office is now open for business during our normal working hours. Whilst we continuously provided help and support to our many customers remotely during the pandemic, it's really great to be operating from our Office once again, albeit in an even more safe and controlled way.

Members of the Isuzu Truck Dealer Network, who also worked tirelessly to provide vital customer support, have introduced a significant number of social distancing measures within their premises too and, as every individual business required a bespoke approach, please contact your local dealership directly to arrange a visit.

May I take this opportunity to sincerely thank you for your continued support and commitment to Isuzu and please stay safe and well.
